

Privacy Statement

Keijzer & Cie respects the privacy of its visitors and ensures that the personal information provided by them is treated as confidential. Our website uses Google Analytics to track visitors statistics on the usage of our website. Information collected by Google is made anonymous as much as possible. Keijzer & Cie can therefore not see which individuals were behind the visitors to our website. Keijzer & Cie uses these anonymous statistics to determine which parts of our website are of most interest, in order to ensure that those pages can easily be found. We understand that Google stores the obtained information on servers in the United States of America. Google has joined the U.S. Department of Commerce's Safe Harbor Program. However, we have no influence on the use of the data by Google and/or third party. Google may provide your information to third parties if required to do so by law, or insofar as third parties process the information on Google's behalf. To learn more about Google Analytics, please click on www.google.com. Should you have any queries with respect to this privacy statement, please contact us through info@kencie.nl. Thank you.
